Subject: Need for LNO and community liaisons in Houston and in future Beaumont ??
Date: Friday, September 1, 2017 10:28:01 AM

John and Steve - I believe you agreed to deploy a LNO to Houston and Beaumont to help working with the various agencies. We agreed I would submit a 213rr for this.

We have been asked to send some community liaisons to help address resident concerns. Let me know if you want the REOC to submit the 213rr for this.
